1. When we are living, we are in the Lord,
and when we're dying, we are in the Lord;
for in our living and in our dying
we belong to God, we belong to God.
2. Each day allows us to decide for good,
loving and serving as we know we should;
in thankful giving, in hopeful living,
we belong to God, we belong to God.
3. Sometimes we sorrow, other times we embrace,
sometimes we question everything we face;
yet in our yearning is deeper learning:
we belong to God, we belong to God.
4. Till earth is over may we always know
love never fails us: God has made it so.
Hard times will prove us, never remove us;
we belong to God, we belong to God.
